Kessler's Barber Shop

One of the greatest pleasures of life is that of sitting in a barber's chair and subjecting one's self to the dexterous manipulations of a skillful barber. We have six chairs in our shop, and there's an artist behind every chair. When one of Dave's barbers gives you a shave, hair cut or shampoo, you can rest assured that the work is well done.

Plenty of Easy Chairs for Our Customers. No Long Waits. A Bath Room in Connection.

Give us a call and we will send you away feeling good.
